CRACK THE CODE

EVENT DESCRIPTION:

Test your programming skills by solving given problem statements. Participants will receive two code problems – one simple and one more challenging. During the competition, participants will also be required to answer a quiz related to coding concepts. Winners will be declared based on both the accuracy of the code outputs and the quiz scores.

Team Specification:

- The competition is individual participation only (no teams).
- Registration Fee per person: ₹50/-. Click Here to Register

Event Structure:

Round 1 – Individual Round (Online)

Structure:

Total Duration: 50 minutes

Total Questions: 50

Type: Objective & Code Understanding, based on year of study and Programming Language.

Round 1 Selection:

Top 45 participants selected based on score, and promote to next round.

Round 2 – Team Round (Online)

Structure:

Team Size: 3 to 5 members per team (team formation based on score and Year of study)

Duration: 3 Hours

Platform: Problems will be based on Geeks for Geeks and Leet Code

Question Format:

- 1 Easy
- 1 Medium
- 1 Hard

Note: Top 3 teams are selected based on coding performance.

» Participants will be provided with problem statements at the start of the event and are required to submit solutions within 90 minutes.
» Languages Allowed: C, C++, Java, Python.
» Scoring Criteria: Correctness of the output for both problems. Time taken to complete the problems.
» Internet usage, mobile phones, or other external resources are strictly prohibited except for accessing the event platform.
» Any form of cheating or non-compliance with the event rules will result in immediate disqualification.
» Participants must arrive 15 minutes before the event starts for registration and briefing.
» The jury's decision will be final and binding.

Rules and Guidelines:

- Each team must register offline or, online on the official CODEATHON'26 website for the event.
